

FHN is currently seeking a **Pathologist and a Medical Director of Pathology** in Freeport, IL.

Freeport is a city of 26,000 people with a service area of 95,000 people. The Pathology department is located at FHN Memorial Hospital and is a part of an integrated healthcare network serving the northwest corner of Illinois, eastern Iowa, and southwestern Wisconsin. FHN Memorial Hospital has 100 beds and the network consists of all specialties including the state of the art Leonard C. Ferguson Cancer Center. Learn more about FHN at www.fhn.org.

The practice includes:

- 250,000 to 350,00 laboratory tests performed annually
- 450-550 anatomic pathology cases per month
- 25-55 cytology cases (non-gyn) per month
- Some fine needle aspirates
- No MOHS procedures at this time
- Frozen sections are performed
- Immunohistochemical stains

The director is responsible for oversight of the clinical lab, policies and procedures oversight, and sign off on proficiency testing.

Position highlights include:

- **Full time position** – 5 days per week
- Call is required
- **Competitive salary with productivity bonus**, 2-year income guarantee, and malpractice insurance
- **Comprehensive benefits package** includes CME, Vacation, Medical, Dental, Vision, retirement savings opportunities, LTD and STD, and more.

We're here, for you.
